

ROTARY INTERNATIONAL
A MESSAGE TO ROTARY LEADERS IN ZONES 31-32
DAVID LINETT, ROTARY INTERNATIONAL DIRECTOR

July 7, 2005

July 23 Meeting of Governors

Registrations are coming in nicely for the Semiannual Meeting of Governors on July 23, 2005 at Mt. St. Mary's College in Newburgh NY, but some districts are not yet represented. It is important that PDG Knut Johnsen is informed of all those attending. Especially invited are Governors, all incoming governors of any future year, District Coordinators for the Water, Health and Hunger Concerns Resource Group and District Coordinators for the Literacy Resource Group. Because the major emphasis for this meeting will be the two Resource Groups, only a limited number of presenters on other limited subjects have been invited. However, any PDG would be welcome to attend with prior notice to PDG Knut. An important part of the meeting will be to determine the locations and committee members for the Intercity Meetings with President Stenhammar in March. Because there will be simultaneous breakouts for parts of the meeting, governors are requested to have enough district Rotarians to cover all of them. Draft agendas have been sent to governors and the final agenda will be sent prior to the meeting.

PLEASE EMAIL KNUT JOHNSEN TODAY TO TELL HIM YOU WILL BE THERE AND WHO IS ATTENDING FROM YOUR DISTRICT. HE NEEDS TO GIVE A FIGURE TO THE VENUE. KNUT'S EMAIL ADDRESS IS

Knutjohnsen@worldnet.att.net

2005 Zone Institute in Boston Coming Soon

We will soon have to release our room block at the Hyatt Regency Boston if they are not all booked by our Institute attendees. If you are waiting to register for a great Zone Institute in September, you may have to be assigned to another hotel. We have a great program of social events, plenary sessions and sports and sightseeing opportunities in a wonderful city. REGISTER TODAY with PDG David Wright, Registrar. A downloadable registration form is on the Zones website at www.rotaryzones31-32.org

Error in previous message

All districts in Zone 32 will have to elect a member of the Nominating Committee for Director in 2008-10 at its 2005-6 District Conference. The use of a nominating committee for this purpose is permitted only for the election of a Council on Legislation Delegate, provided the district has authorized such a committee in the year prior to the election. Governors are advised to review Article 12 of the Rotary International Bylaws for the proper procedures for the election of a Nominating Committee Member for Director. Note the qualifications required for members of the Nominating Committee in Section 12.020.2 of the R.I. Bylaws.

Attention Governors 2005-6

The Zone Calendars are now being updated. Please make sure your District Conference and other important events are shown on the 2005-6 Calendar as posted on the Zones Website at www.rotaryzones31-32.org. Incoming governors should also update the calendars for their years. Send all information for calendars to David Linett. The website has already been updated by Webmaster Gene Hastings for 2005-6 with a new personnel list, listings of governors, etc.
